

IronWorks: “So True”

10/27 & 11/1, 2017

Teacher: Vince Miller

“Rage On!”

Vince Miller is the Founder and President of Resolute

In March of 2014, he founded Resolute out of his passion for the discipleship and leadership development of men. He felt compelled to build an organization that would focus on one thing, ensuring that men who want to be disciples have the opportunity and that they can have tools to disciple other men.

He has authored 11 books, including his newest book **CONVICTIONS**, which helps men understand how to close the gap between feeling convicted and living with conviction. Vince is the primary content creator of Resolute content and training materials.

“You have heard that it was said to those of old, ‘You shall not murder; and whoever murders will be liable to judgment.’ But I say to you that everyone who is angry with his brother will be liable to judgment; whoever insults his brother will be liable to the council; and whoever says, ‘You fool!’ will be liable to the hell of fire. So if you are offering your gift at the altar and there remember that your brother has something against you, leave your gift there before the altar and go. First be reconciled to your brother, and then come and offer your gift. Come to terms quickly with your accuser while you are going with him to court, lest your accuser hand you over to the judge, and the judge to the guard, and you be put in prison. Truly, I say to you, you will never get out until you have paid the last penny.

Matthew 5:21-26
